

BOX is a basic backless bench that explores concepts already anticipated in other Escofet products. A moulded concrete parallelepiped with clean edges that levitates above its own shadow. The embedded complements of teak wood seat compatible with Box 200, provide comfort and colour to the collection.

Add-ons:  | 

 Update 09.07.2024

MODULAR

A modular backless bench with a width of 50 cm and variable lengths based on the 50 cm module. With lengths of 250, 200, 150, 100 and 50 cm.

ECOLOGICAL

Environmentally-sustainable product with an external natural stone finish using local recycled aggregates, in a formulation that replaces the use of natural aggregates.

MATERIAL

Moulded concrete, etched finish with recycled aggregate option. Eco-Grey® with recycled concrete aggregates for models manufactured in grey. Optional seat made of solid Teak wood slats, jointed with black elastomer.

INSTALLATION

Resting on the paving, and optionally anchored with two screws threaded through sleeves recessed in base. Sunken baseboard with sling mounting holes to facilitate transport and installation.
